

Managing diabetes?

Extra support is here.

Transform Diabetes Care® is a program that provides the right amount of guidance and support based on your health needs. And it's covered by your prescription plan. With the BioTel Care digital app, you can monitor your glucose, calories and more. To stay on track, you can message with a health coach and get personalized support from a Certified Diabetes Care Nurse*.

Automatic enrollment

If you're managing diabetes, you're enrolled automatically, so stay tuned for program details – we'll be in touch soon to help you get started.

*Certified Diabetes Care Nurses do not diagnose or treat conditions. Their role is to connect members to appropriate resources and help identify and close gaps in care.
